

Dear, respected clients,

It's with conflicting emotions but a bright and positive outlook that we inform you of our decision to close the current location of Adornment Deluxe.

It's been a long venture, and, quite frankly, we're in need of a break (winter seems like the best time to take one)! Combining this need with a suffering economy, an impending raise in rent, and the upkeep and maintenance on a *much* larger than we need, (cold!) building, we simply feel the time has come.

The decision wasn't the easiest- we're proud of our 10+ years in downtown Berkley and Rich's 16+ years of piercing professionally. We love this field of work and are pleased that we've made so many people happy, comfortable and content over the years. We are grateful for your support and business- we're honored to have served you and sincerely hope to again in the future.

We're unsure of the length of the hiatus, but are certain you'll see us again! For now, we'd like to focus on making our handcrafted spiral earrings and stone necklaces that you've seen in the shop. We'll sell them through Etsy and AdornmentDeluxe.com, along with our line of unique, custom made piercing chains and accessories. Look for a revamped website and several new jewelry designs coming in late January.

We will also continue to set up at Rustbelt Artist Market in Ferndale on a periodic basis, as well as select other venues. We'll list any dates on our web site and may send out a note via email. We'd love to see you- stop by and say hello!

We will be keeping the current phone number and email address. If you need us, please send us an email or give us a call and we'll respond as soon as possible.

With that said....
